...where futures begin!

We are excited to let you know about the

Fr. John R. Skehan, VF Endowment

The Catholic Foundation of Maine invests and manages funds and assets that produce income through endowments that benefit Catholic parishes, schools, and ministries in Maine and beyond. Dividends are distributed annually in accordance with the specific directives and restrictions designated by the donor and governed by the Board of Trustees of the Foundation.

In September of 2022, Principal Kevin Cullen was inspired to establish this endowment in memory of the beloved pastor and leader of the school, Fr. John Skehan who passed away suddenly of natural causes.

The fund is open to donations and bequests of any amount and at any time. Gifts of real property insurance, funds from retirement accounts, as well as cash, stocks and investments are all welcome to support the students who will attend the school for years to come.

The History of St. Michael School

St. Michael School was founded in 2007 through the merger of St. Mary's School and St. Augustine School. St. Augustine began educating children in 1892. St. Mary's began teaching children in 1913.

For nearly 120 years, a high-quality Catholic education program for children has had a tremendously positive impact on the youth, families, and community of the greater Augusta area.

Today's St. Michael School meets the challenges of service to community, formation of a healthy body, mind and spirit, and achievement of academic goals that are fitting of a quality school. As changes have happened, excellent education and a community spirit endure. Our students' scores on standardized tests are well above average, and our students go on to high school, college, and careers.
